**Grand Knight's Report**

Brothers all,

There were quite a few big events this month which the Council can be very proud of. First, there was the membership blitz on March 20-21. We tried several new approaches this time and they really paid off. Thanks to the members for a great recruiting drive, especially Tom Rohe, our Membership Chair who organized the event. What really helped this time was the follow up in the Parish Center – great idea Tom, the messages from the pulpit – thanks to the speakers, Bill Dreyer, Joe Barrett, Joe Devlin, and Jim Sweeney, and the rousing endorsement from both Fr. Joe and Fr. Richard. There were a total of 10 new names read for membership. The drive was followed by a 1st and 2nd Degree on April 20<sup>th</sup>. Let's welcome the following new Brothers:

Chris Callahan	Glenn Conte
Gabriel Diaz	Joe Faraci
Carl Franciose	Wally Krake
Peter Politowicz	Joe Tarallo

We also had visitors from the following Councils: Warren #474 in Phillipsburg, Washington #359 in Morristown, Marquette #588 in Sparta, Parsippany #3680, and Joyce Kilmer #2483 in Hackettstown. I'd like to thank the degree teams and their captains Ernie DiCicco and Joe Devlin. They did a fantastic job and I received many compliments from those councils that were visiting.

Please also welcome 3 transfers:

Anthony DeStefano	Allan Hayes	John Hurley
-------------------	-------------	-------------

April was also the time for our annual Drive for People with Mental Disabilities. A special thanks to Tom DeLalla and Frank Ruggiero for chairing the event, the brothers who spent many evenings calling, the team captains, and to all the brothers who manned the stores and endured the cold. Great job everyone. Please read Tom's article for all the details.

Congratulations to our newest 4th degree members, Sir Knights Bill Dreyer, Warner Brador, and Anthony DeStefano who were exemplified on April 25<sup>th</sup>.

Normally, I don't use my monthly article to talk about bingo, but I need to let everyone know how we're doing. As you know, bingo is by far our largest source of revenue. Without it, we would be unable to donate to the many causes as we do. Right now, there are about 5 brothers who help with set up every week, and approximately 25 brothers who work bingo once a month and a handful who work multiple Fridays each month. If it weren't for these men, Bingo would be cancelled. Brothers, we cannot continue to run this way. I am making a very strong plea for your help. We need an additional 5-10 volunteers so we can fill out all the teams so that everyone can work only once a month. We all share the responsibility of donating to charities; we also need to share in the responsibility of raising the money. Please contact me dteller@optonline.net (973-347-0121) or Phil Graziano philgraz53@comcast.net (908-979-3375) to volunteer.

Thanks. Vivat Jesus,

*Dave Teller, Grand Knight*

**Thoughts from Our Chaplain**

Brother Knights,

This month our country pays special tribute to all moms, and rejoices with them through the splendor of the lives that they bring to God's creation. Mothers are special people who surrender much time to nurture their offspring through love and care. Mothers also sacrifice many of their personal wants and desires for the benefit of others; and, accept with joy the responsibility, pressure, and stress that easily comes forth through their vocation to Motherhood. I believe that there is tremendous fulfillment that is experienced throughout motherhood, which frequently gets exhibited by way of the accomplishments seen in children knowing that they have fostered Christ-like qualities into these special lives. Mother's Day dates back to 1914! It originated through the efforts of a religious education teacher named Anna Jarvis from Philadelphia; however, it was made official by President Woodrow Wilson. It is also the third most celebrated day in the United States ranking behind only Christmas and Easter. Since many mothers are taken for granted, I feel that we need to take time to affirm mothers on their day in that it is a natural tendency to assume that moms will always calm the storms of life without a complaint or day of rest. To pamper mom on her day creates a message of appreciation since motherhood is a 24/7 commitment; and, a way of life that often does not get due recognition until mom is not around.

One Mother's Day, which occurred in my early years of priesthood, I was asked to judge an essay contest for students in grades five through eight who wrote about their mothers. In choosing the winners, I observed the jubilation on the faces of the children, which was a prize to me. However, the high point of the evening came as I listened to each contestant read his/her essay to an audience of over three hundred

people. Some striking comments that I recall came forth from a fifth grade girl stating that she had two mothers (biological and adopted) who brought her up to her present state of life. The girl articulated with vivid detail and accuracy the manner in which each mom rendered her with the necessities for survival and taught her about life. Another came from a boy who talked about his dying grandmother, and the way that he began to see her as a gentle soul during the deterioration of her health as she struggled with cancer. Two of my favorite quotes came by way of a 7<sup>th</sup> grader who declared, "It takes patience to live with mom because she does so much more than life calls her to do." And, an eight-grade girl who closed the evening by revealing that "a child without a mother is like a forest without trees."

As a priest it is a comfort to know that within the activities of Sunday morning the evening renders time for a visit with my mom whereby we share a relaxing meal. There is something about a sitting at table with a mother that brings to light a bond of love that exists. As members of Council #6100, if your mother is still living, make an effort to pamper her on this special day so that she is affirmed as that special person that you call, mom. If your mother is deceased, live with the memory of the happy times that were blessings to your life aware that throughout your years of togetherness God blessed you with someone special; giving thought to the fact that her spirit lives within you since she shaped you emotionally, biologically, and spiritually.

### **Camp Merry Heart Cleanup**

This past Saturday (April 24<sup>th</sup>) we had a great day working for a very worthy cause at Camp Merry Heart in Independence, NJ. The skies were a perfect shade of blue as Brothers Pete Longo, Steve SanMarco, Rich DiCicco, Greg Buckalew, Gerard Petrocelli, Gerry Kaufhold, Rob Wasik, John Watral, Peter Politowicz, Mike Mallon, Rick Banchansky and Tom Rohe as well as a strong contingent of Squires, Jon Rohe,

Ryan Watral, Chris Watral, Timmy Watral, Dan Petrocelli, Tom Petrocelli, and Justin Savastano all came together help get the camp ready for the upcoming season.

We were able to repair a large window, install a 220 volt electrical outlet, scrape and paint 6 entrance ramps to cabins, rake several acres of leaves, and level, rake and replant a large area that was excavated for sewer repairs.

Brother Rich DiCicco prepared a fine BBQ lunch. Plans are already underway for another opportunity to help such worthy causes.

**Invitation to Pray  
With Fellow Brothers and their Families**

Evening Prayer is part of the Liturgy of the Hours, also known as the Divine Office. In the Liturgy of the Hours, the Church fulfills Jesus' command to "pray always" (Luke 18:1; see also 1 Thessalonians 5:17). **Thinking About a Vacation**

No doubt the signs of spring have had their affect on you. Initially, getting outdoors is the obvious thing to do. We start by poking around the garden, working on the lawn, attending softball practice, dusting off the gas grill.

Beneath it all we sense that vacation time is near. This pleases everyone. It doesn't matter whether we are planning an elaborate vacation or will simply enjoy the company of our family at home – the feeling is the same. Vacations are fun.

If we've planned properly, chances are that some of our hard earned dollars have been set aside for this occasion. We recognize that if we plan to spend money in the pursuit of enjoyment, the ordinary fixed expenses – mortgage, utilities, etc. – must be paid. So you need a "vacation fund."

All of this makes good sense. The soundness of the idea is obvious. Isn't it amazing that so many of us see the wisdom of planning for our vacations each summer, but fail to plan our long range vacation – retirement. The government has thought about it and encouraged your independence at retirement age. Your place of employment has probably thought about it and planned a pension for you.

The only one left is you... it's time you thought about it. Find out how you can add to government and employer programs an amount sufficient to provide for you and yours. After all, retirement is the longest vacation you'll ever take. Call me today at (973) 527-4904 for an appointment and we'll plan it together. I want to hear from you.

### Editor's Notes:

**Get More Involved** – As we enter the month of May the calendar shows that we are a Council with a hearty appetite for charitable and fraternal work. We have a wide range of activities, either in progress, or planned for the near future. Every activity needs chairmen and committee members. If you are not already as active as you should be, you can see where the opportunities are. Attend the next Business Meeting on **Wednesday, May 12<sup>th</sup> at 7:30 pm** to become more involved in the Council's good works.

**Cost of Newsletters** – Last month it cost the Council \$185.21 to print and mail the April newsletter. Currently it costs \$0.40 to print and between \$0.284 and \$0.352 to mail each newsletter. With the Council's membership growing this cost can only go up. The Council's website (see below) has a link that shows the latest monthly newsletter. The newest newsletter will be posted on the website by the first weekend of the month. Last month 252 newsletters were mailed, 52 above the minimum needed for bulk mailing rates. Thus far twenty-six brothers have informed me that they will get their newsletter from our website. If any member would like to only receive their newsletter in this fashion please let me know and I will remove you off the mailing list.

### ***On the Lighter Side***

#### **Questions About Mothers**

**Answers given by 2nd grade school children to the following questions:**

##### **Why did God make mothers?**

1. She's the only one who knows where the scotch tape is.
2. Mostly to clean the house.
3. To help us out of there when we were getting born..

##### **How did God make mothers?**

1. He used dirt, just like for the rest of us.
2. Magic plus super powers and a lot of stirring.
3. God made my mom just the same like he made me. He just used bigger parts.

##### **What ingredients are mothers made of?**

1. God makes mothers out of clouds and angel hair and everything nice in the world and one dab of mean.
2. They had to get their start from men's bones. Then they mostly use string, I think.

##### **Why did God give you your mother and not some other mom?**

1. We're related.
2. God knew she likes me a lot more than other people's mom like me.

##### **What kind of a little girl was your mom?**

1. My mom has always been my mom and none of that other stuff.

2. I don't know because I wasn't there, but my guess would be pretty bossy.
3. They say she used to be nice.

##### **What did mom need to know about dad before she married him?**

1. His last name.
2. She had to know his background. Like is he a crook? Does he get drunk on beer?
3. Does he make at least \$800 a year? Did he say NO to drugs and YES to chores?

##### **Why did your mom marry your dad?**

1. My dad makes the best spaghetti in the world. And my mom eats a lot.
2. She got too old to do anything else with him.
3. My grandma says that mom didn't have her thinking cap on.

##### **Who's the boss at your house?**

1. Mom doesn't want to be boss, but she has to because dad's such a goof ball.
2. Mom. You can tell by room inspection. She sees the stuff under the bed.
3. I guess mom is, but only because she has a lot more to do than dad.

##### **What's the difference between moms and dads?**

1. Moms work at work and work at home and dads just go to work at work.
2. Moms know how to talk to teachers without scaring them.
3. Dads are taller and stronger, but moms have all the real power 'cause that's who you got to ask if you want to sleep over at your friends.
4. Moms have magic, they make you feel better without medicine.

##### **What does your mom do in her spare time?**

1. Mothers don't do spare time.
2. To hear her tell it, she pays bills all day long.

##### **What would it take to make your mom perfect?**

1. On the inside she's already perfect. Outside, I think some kind of plastic surgery.
2. Diet. You know, her hair. I'd diet, maybe blue..

##### **If you could change one thing about your mom, what would it be?**

1. She has this weird thing about me keeping my room clean. I'd get rid of that.
2. I'd make my mom smarter. Then she would know it was my sister who did it not me.
3. I would like for her to get rid of those invisible eyes on the back of her head.

**WHEN YOU STOP LAUGHING – SEND IT ON TO OTHER MOTHERS, GRANDMOTHERS, AND AUNTS..... and anyone else who has anything to do with kids or just needs a good laugh!!!**

## Other Council Activities

**Bingo** – Phil Graziano is the new Bingo Chairman. The Council is still in dire need of a few 'Good Knights' to adequately staff our bingo teams. I hope the Council will help fill the voids now present on all bingo teams. If a few 'Good Knights' with nothing to do one Friday evening per month would volunteer their time between 6:30 PM and 11:30 PM (only five+ hours per month), we would be able to fully staff our four bingo teams. If you can not volunteer five hours per month, perhaps you could volunteer a few hours of your time per month. If you can volunteer in any way please call Phil at (908)979-3375 or e-mail: philgraz53@comcast.net.

**Coffee N'** – Is held on the first Sunday of every month after the 8:00, 9:30 and 11:00 Mass. *Council 6100 will host the Coffee N', in the months of February, May, August and November.* Brother Tom Rohe has agreed to run the next few Coffee N's but we will need to have a few brothers to step up and help Tom to run these Coffee N's. The job entails shopping for the needs of the day, organizing the work schedule for the day and just getting the job done. If you can help in any way please let Tom know, (973-426-9394).

**Campbell Soup Label Collection** – Brother Victor Farina is collecting Campbell Soup labels as a donation to acquire books from the Library of Congress for the Blind and Disabled. Bring your labels to the next Business Meeting for Victor.

**Sam's Club Membership** – We opened a new account on August 01, 2009, as our old membership expired on August 23, 2009. The maximum number of members per account is 100, which includes the council member and another person of the council member's household. If we reach the limit on our new membership, then a new 2<sup>nd</sup> membership account will have to be considered and authorized by the council before any other brothers may join. Please contact me for the slip you will need to present to the Sam's Club membership desk to join under the new account number.
